THIS IS NOT A REPLACEMENT — IT'S AN UPGRADE

WARRANTY COVERAGE

- Helps cover qualifying issues
- Part of the dealership protection program
- Backed by your F&I team

CERAMIC PERFORMANCE

- Enhances gloss and depth
- Boosts hydrophobic behavior
- Easier to clean & maintain
- Improves real-world ownership

Our ceramic coating is an additional professional enhancement applied to maximize appearance and surface performance — designed to live alongside your dealership's coverage products, not replace them. Customers can choose both **coverage** and **performance**.
